ABOUT ME

Skilled bricklayer with 4 years of experience on residential, commercial and renovation projects. Lays brick, block and natural stone to line, level and plumb, builds cavity walls, facades and chimneys, and reads construction drawings accurately. Safety-conscious, productive and able to lead a small crew. Seeking a bricklaying post with a European building contractor.

WORK EXPERIENCE

Bricklayer (Maurer)

04/2024 - Present

Isar Hochbau GmbH, Munich, Germany · Business or sector: building construction (residential)

- Build load-bearing and cavity walls in clay brick and aerated concrete for **multi-storey housing**; average **450 bricks per day** within ±3 mm tolerance.
- Lay facing brickwork and lintels on a 48-unit apartment complex; completed the masonry shell **two weeks ahead of programme**.
- Set out walls from drawings and levels; fit insulation, damp-proof courses and wall ties to EN 1996 (Eurocode 6) details.
- Lead a crew of 3 labourers; maintain site safety with **zero lost-time incidents** in 2025.

Bricklayer

08/2022 - 03/2024

Construct Zidărie S.R.L., Cluj-Napoca, Romania · Business or sector: masonry and renovation

- Built brick and block walls, partitions and chimneys for houses and light-commercial units; restored historic facades with lime mortar.
- Mixed and applied mortar and render to the correct specification; repointed about **600 m² of façade**.
- Worked from scaffolds up to 12 m with certified working-at-height practice.

EDUCATION AND TRAINING

Vocational qualification: Mason (Zidar)

Liceul Tehnologic de Construcții, Cluj-Napoca ·

2019 – 2022 · EQF level 3

Masonry, mortar technology, setting out, drawings and site safety. Recognised in Germany via Directive 2005/36/EC.

Facade restoration with lime mortar

Training course · 2023
