NFPA 1001 Firefighter I & II

HazMat Ops

Emergency Medical Responder

ICS 200

Class DZ licence

PROFESSIONAL SUMMARY

Certified firefighter with 3+ years of career experience in a municipal fire service responding to structure fires, motor-vehicle collisions, medical calls and hazardous materials incidents (about 1,800 calls per year). Strong in suppression, search and rescue, vehicle extrication and pump operations, with a clean safety record, high fitness standards and a commitment to community fire prevention. Seeking a career firefighter position in Ontario or elsewhere in Canada.

CORE COMPETENCIES

Emergency Response: Structural fire suppression • Search & rescue • Ventilation & forcible entry • Vehicle extrication • Hazardous materials operations • Wildland / urban interface awareness • Water & ice rescue awareness

Medical & Rescue: Emergency Medical Responder (EMR) • AED & oxygen therapy • Trauma and cardiac arrest care • Patient assessment & handover to paramedics

Equipment & Apparatus: SCBA • Pump & aerial operation • Thermal imaging camera • Hydraulic rescue tools • Gas monitors • Apparatus checks & maintenance

Command & Prevention: Incident Command System (ICS) • Pre-incident planning • Fire inspections & public education • Smoke alarm and CO programs

PROFESSIONAL EXPERIENCE

Firefighter – Full-Time Career

March 2023 – Present

[Municipal Fire Department] – Hamilton, ON

- Respond on a 24-hour platoon rotation to about 1,800 calls per year, including structure fires, collisions, medical emergencies and hazardous materials incidents.
- Operate as a primary attack and search team member; completed 150+ hours of live-fire, rescue and vehicle extrication training each year.
- Perform apparatus, SCBA and equipment checks each shift, keeping the engine company at 100% readiness on audits.
- Deliver 40+ public education events and school visits per year; assist in 200+ home smoke-alarm and CO installations.

Part-Time Firefighter

June 2021 – February 2023

[Municipal Fire Department] – Ontario

- Responded to suppression, rescue and medical calls; maintained 95% call attendance.
- Completed Firefighter I and II certification, HazMat Operations and Emergency Medical Responder training while employed.

Fire Prevention Assistant (Co-op placement)

2020 – 2021

[Municipal Fire Department] – Ontario

- Supported fire inspections, public education and fire-code complaint follow-ups.
